ABOUT AEON METALS

Aeon Metals Limited (**Aeon**) is an Australian based mineral exploration and development company listed on the Australian Securities Exchange (ASX: AML). Aeon holds a 100% ownership interest in the Walford Creek Polymetallic Project (**Walford Creek Project**) located in north-west Queensland, approximately 340km to the north north-west of Mount Isa.

Aeon completed a Scoping Study in June 2021 on the development of a 3.0Mtpa open pit and underground mining operation at the Walford Creek Project producing approximately 243kt copper and 33kt cobalt (plus zinc, silver and nickel) for sale to global metal markets. A Pre-Feasibility Study is targeted for completion in Q1 CY2022.

For further detail in relation to the Scoping Study, refer to Aeon ASX release dated 30 June 2021, *Walford Creek Revised Scoping Study Results*. Aeon confirms that all the material assumptions underpinning the production target therein and the forecast financial information derived from the production target continue to apply and have not materially changed.
