## **QUARTERLY ACTIVITIES REPORT**

Aeon Metals Limited (ASX:AML) (**Aeon** or the **Company**) is pleased to present its activities report for the quarter ending 31 December 2023.

## **Highlights:**

- Discussions with Waanyi People in relation to new Cultural Heritage and Monitoring Agreement progressing.
- Search for potential partners in Walford Creek Project continues.
- Evaluation of new project opportunities on-going.

#### Commenting on the activities for the quarter, Aeon Managing Director, Dr Fred Hess, said:

"During this quarter, discussions were advanced with the Waanyi #3 native title claimants. This has proceeded slowly due to the restrictions imposed by the wet season and a further meeting is scheduled subject to travel being possible.

Much of the focus for the quarter has been on the evaluation of several promising project opportunities which would provide a pathway to cash flow generation. The time frame for conclusion of these processes is fluid and any future announcement concerning any one of these would be subject to Aeon achieving an advanced stage agreement with vendors."

#### Corporate

During the quarter Aeon drew down the final A\$1 million from its loan facility with OCP.

#### **ASX Additional Information**
